RE: SO490065 Wasatch Gravel and Rock
SO490050 Wasatch Mountain Excavating

Emily Berry,

Emily I have been talking to Penny in regards to the small mining permits that are referenced above. She asked me to email you are request. At this time we would like to make the mines inactive. We would like to know what we need to do on our end to make this happen. Could you please let me know?

Thank you,
Suzanne Bryson
